LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
ARD No. 2002-002

Dear Mr. Vashaw

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by the Mount Washington Hotel and Resort ("Mount Washington Hotel") in response to Letter of Deficiency ARD No. 2002-002 ("LOD"). DES has determined that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Mount Washington Hotel. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the LOD. It is important that the Mount Washington Hotel be aware of and complies with the requirements stipulated in State Operating Permit FP-S-0162 ("the Permit"), issued on October 29, 2001. In addition, DES wants to remind the Mount Washington Hotel that it must maintain records as required by Condition VIII. D. 2. of the Permit, including the identification of each combustion device, the hours of operation per calendar month, days of operation per calendar month, number of weeks of operation, type and amount of fuel burned for each combustion device in accordance with Env-A 905.02. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the Permits.

DES recognizes the efforts that the Mount Washington Hotel has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Joseph Ritz, Compliance Bureau, Air Resources Division, at (603) 271-1391. Thank you for your cooperation.

Sincerely,
